

I love you madly

I loved you madly

Am listening to Bob Dylan Planet Waves

Where many are gooey love songs

Gooey love songs are necessary

Like 'I love you more than love';

Well the one I left behind

'I wrote 'that the texts to Elton Johns song I guess that's why they call it the blues rang true';

'I love you more than life itself';- Those texts FELT true.

Needless to say she was the love of my life, and if she never returns, I will never be

'whole'; again
