*Det var en sådan där solig höstdag, du vet...*

## YEARS OF PASSION

golden years  
of burning passion  
the sun will rise  
and light up the sky  
years of grace  
and satisfaction  
when paradise  
feels real and nearby

lovely feeling of confidence  
unfamiliar to the common sense  
afternoon sunshine  
on the skyline  
released from the suspense

these are enchanted days  
these are days of glory and blaze  
the strangest days i've ever faced  
but peaceful days are days of praise

no one shares this sweet sensation  
far above the calculations  
rise above the expectations  
i escaped the aggravation  
God pours sunlight on this nation
