I don\'t care if Monday\'s blue, Tuesday\'s grey and Wednesday too, Thursday, I don\'t care \'bout you, it\'s Friday, I\'m in love!

FRIDAY FEELING

out of every factory
in our nordic monarchy
people just like you and me
make their exit simultaneously
robots marching to their cars
friday\'s here with candy bars
time to get the weekly thrill
time has come to get an oil refill

friday feeling all over down
working people ready to relax
nothing can or will bring me down
working people
rest your backs

monday seems so far away
forget work and let\'s just play
from the cradle to the grave
you are just a dirty slave
but when saturday comes by
you turn into a butterfly
spread your colours across the town
modern art is all around
