## **Mea Culpa**

Je ne dors plus (I can't sleep anymore)

The only thing I do

Is thinking of you

Tears are falling every night

Je suis a toi (I'm yours)

But I don't wanna be yours

Turn off the light

Take a deep breath

And relax

Je n'ai plus rien (I have nothing more)

My life is coming to an end

Je deviens folle (I am becoming crazy)

Suicide is my only hope for a better life

Je deviens folle (I am becoming crazy)

Turn off the light

Take a deep breath

And relax

Mea culpa (I'm guilty)

---
