**"Cigarette lighter"**

I wonder  
if I should light a cigarette  
and burn the whole world with it

maybe the death  
would be the end of greediness

Do not worry

you will not burn  
if you're a worshiper of love

those who love  
will rise again  
as phoenix  
from the ashes of everything.

must light a cigarette  
where is my lighter....
