a deep tone

oh whale

Thin

tread

of faith

within us

Through

invisible

barriers

the source

of life

Do we hear

most trusted

of voices

You mother

of wisdom

oh whale

Raise up

your voice

with deep tones

deep tones

Let the earth

begin quake

let the sky

begin scream

All doubters

will fear

o yes

they will fear

Of the voice

of truth

oh whale

you wise
