

Publicerad 2011-09-12 10:31 av Janis Karlsson

Just watched a sad movie, and got some thoughts...

What if

What if love is something you have to learn

What if you haven't had any teachers, not even the ones responsible for your birth

What if you're unable to learn, if you are love-dyslectic, so a teacher wouldn't even help

What if there is no one who wants to teach you

What if this is it

What if
