Spells against death.

Hazel and nuts,
crackers and dream-eater,
scales and faery wings,
The heart of a raven,
witches dirty nails,
Aztec sacrificial garment remnant.
A tarot card and angel's laughter,
death - the sound of her wings.
Bat wings, ghost orb, werewolf tooth.
Medieval pictures, and magical stones,
a small statue of Shiva,
small gripes, slimy sea monsters.
A copulating statue of Indian gods,
picture of the grim reaper.
Pages from "The Book of the Dead",
Louise Brooks naked with a skull,
spells against death
