**If you leave**

If you fly away

Then so will I

I will fly away with you

Up to the sky

If you leave now

I will follow

You wont get rid of me that easy

Without you I'm hollow

I don't really care where you are

Only I can be there

As long as I'm with you

About the rest I do not care

Now that you have

left me anyway

I do no longer

know what to say
