*En gång i tiden så funderade jag på att bara
skriva på engelska*

Men jag märkte att jag vara bättre på svenskan...

Come on and dance with me!

I gonna be by your side all the time

You gonna see

If you don't want I can dance for you

I gonna show you how to do

First

Dance to the left, dance to the rights

Feel it like you gonna get into a fight, in the Mitte

of the night

Yes, you most show them that you are the Queen

The Queen on the floor

I know you gonna show them

That's for sure

Now you can dance!

So come on and dance with me

Let's dance this place down to the ground

And let us feel the feeling like it's you and me

here on the floor

And we dance the hole night long, when the music play

their love song

for just you and me...
