

Publicerad 2014-12-13 19:18 av Starchilled child

Time is money, and money is made of time.

Time is money, and money is made of time.

The only thing stolen, is your mind

Laws are behind all our crime, time to rewind

Give us freedom, give us fire

Take me higher then greed and desire

Call me reason, call me liar

The only truth is your denied
