**A part of it all**

If you want to be  
in your fantasy  
you can follow me  
cause im going to Bagdad  
on a camel.

What you can do then  
is really up to you  
I can't tell you  
what you can or  
can not do.

But dream of anything  
cause your totally free  
and if thats too much  
thats also up to you.

The sky is way up there  
and beyond there is so much more  
it goes on forever or  
until you see nothing more.

You reached for heaven  
but you found only Earth  
in so many lives and so  
many births

But you are here and have always been  
invented life and death  
and all in between.

The secret is out  
so give me doubt  
that you are not a  
part  
of it all and  
everything
