

## **The Rite-Of-Way**

The annual celebrations  
of religious and secular holidays  
- X-mas, Chanukah, Easter and innumerable others -  
are zombie-like, forced, recurrent manifestations in meat,  
enacted by somnambulists,  
the way bears fuck, birds migrate, and salmon swim upstream

Humans express these patterns  
at certain intervals,  
in their blind, scary behaviour,  
the etiology / ethology of which  
hasn't been seriously dealt with,  
and which - set loose in this Machine for Moving Meat;  
these dense flocks of mindless Homo sapiens -  
warrants the millions of raised hands  
before the Son of Herr Schicklgruber  
and the daft support for his present similis  
Putin & Netanyahu

Wishing one another Merry Christmas et cetera  
equals the chatter of gulls, the buzzing of flies in one's ears  
and the rustle of ants on their hills

The forceful stupidity of humanity  
is well demonstrated  
in the car-nival of highways  
and the celebration of holidays / hulludays

but I am the trance-parent,  
seeing right through the Machine for Moving Meat:

I have the rite-of-way!

No matter  
what liturgies, rituals or ceremonies  
you perform,

I am awake,

and I HAVE THE RITE-OF-WAY
