## 'Angels Or Devils'

this is the last time  
that I'm ever gonna come here tonight  
this is the last time - I will fall  
into a place that fails us all - inside

I can see the pain in you  
I can see the love in you  
but fighting all the demons will take time  
it will take time

the angels they burn inside for us  
are we ever  
are we ever gonna learn to fly  
the devils they burn inside of us  
are we ever gonna come back down  
come around  
I'm always gonna worry about the things that could make us cold

the angels they burn inside for us  
are we ever  
are we ever gonna learn to fly  
the devils they burn inside of us  
are we ever gonna come back down - come around  
I'm always gonna worry about the things that could break us

if I was to give in - give it up  
- and then  
take a breath - make it deep  
cause it might be the last one you get  
be the last one  
that could make us cold  
you know that they could make us cold  
~~I'm always gonna worry about the things that could make us cold~~
