Stars in the sky

Stars in the sky

Can you tell me why?

Why am I?

Why are life so hard?

You all sit there on the night

Stuck on the sky almost forever

Forever to shine with that mysterious bright light

Can you tell me why?

Why are life so hard?...

Shine on with your light

Makes me wonders

Makes me think

Wonder why

Why is life so hard?...

Oh cant you tell me why...!

But still...

With life so hard

I can always look up at the night's dark sky

And it will always make me happier to see

A pair of beautiful stars shining down

At me...
