min sång...

Suicide

I have had the thoughts,
for a long time...

I have had the thoughts,
to long of a time...

It is growing in me,
all of the shame...

It\'s been buildin in me,
all of the shame...

...feel I can\'t take it...

...to many hardships...

...feel I can\'t take it...

...s\' many years hiding...

I sit in my comfy chair,
thinking...

In that corner of my mind,
crying...

For I feel not so well,
thinking of dying...

For I feel not so well,
I sit here crying...

...feel I can\'t take it...

...to many hardships...

...feel I can\'t take it...

...s\' many years hiding...
