### **The silenced mindset...**

A long time ago I stopped  
stopped caring, stopped wanting  
stopped lusting after things  
things, people and emotions  
the objects of life I cannot have

I stopped breathing the lustful air  
stopped savouring the spicy food  
stopped crying and stopped laughing  
I switched off life for a li&#39;l while

a li&#39;l while quickly turned into days,  
days became months and years  
and years and years...

I lost humanity in the process, I think...

I can write but I can&#39;t read,  
I can write but I shun speech

I don&#39;t remember how to feel,  
should you feel, how do you feel?
