As always it´s my own mistakes, but I really need to blame you

In a disguise of kind
you play my body
Just like you want
but only when you want it

No bother for my mind
Unless you want me
to want you
for a night or two

With you I feel so good
Almost as much as I feel bad
whenever I want you
and there´s no answer

You think you can do whatever you want
and the most annoying thing
is me letting you do it

Damn
