## **Hawkers flyers in the hub**

one rue, one quest

hawkers flyers

keep ticking

proper biding

Check it out! Come in! Buy it!

ten times more bitter

flyers cascades in sexfoil shapes

and deliver

sweet poetry for your desires

and steaming liver

on, along

the streets to the trains

and back

130 grams to 300 grams

all sizes

litters hubristic

lurking like paper cats

let's pick one up

and see were we're heading at
