### **Close to You**

In a castle,  
far away,  
sits a maiden,  
locked away.  
She loathe her captor,  
where she stays,  
but she sends from above,  
a letter of love...

I...

I want to be close to you

I...

I want to be loved by you

By a lighthouse,  
at the edge of the world,  
a boy on his ship,  
looks for his girl,  
but mist at midnight,  
clouds his sight,  
when a letter fell,  
from heaven down...

I...

I want to be close to you

I...

I want to be loved by you

The boy on his ship,  
raised his sails,  
took his twohundred swords,  
into the veils,  
away to free,  
with steel against steel,  
the maiden in the tower,  
"...that wrote to me!"

I...

I want to be close to you

I...

I want to be loved by you
