### **Reminding me**

You make me insecure, It's driving me insane  
reminding me I'm vulnerable, reminding me of pain  
So doubtful, so little trust, so out of touch  
reminding it's dangerous to feel too much

Cause I've been hurt and deceived  
I've been mocked and missbelieved  
I've been lied to and abused  
I've been misunderstood and accused

Reminding me,  
I've been cheated on and betrayed  
I've been left out in the shade  
I've been ignored and disrespected  
I've been played and often rejected

You make me feel weak, taking out all my fears  
reminding me I'm hurting, reminding me of tears  
So confused, so unsafe, so out of touch  
reminding me it's dangerous to feel too much...
