Chitré-Herrera-Panama

I shoulda cried

Should I ever ask?

Should I wear a mask?

But I can't fall down on my knees now

'Coz I don't find somehow

What love means to you

'Coz I've given everything

And more and more to you

But what I've got in return was nothing

Now I take the pieces of me far from you.

Shouldav you learned what love is about?

Shouldav you burned the bridge to be out?

I shoulda cried

By your side

I shoulda denied

I shoulda been so far

Leaving you alone as a star

So you could care about

Not let me go out

But I gotta doubt...

I gave you the sky

I gave you a tear to cry

But nothing was enough

If you found 'em so tough

Now you are free to run

Spread your wings and fly

Being your hunter

Has not been fun

Now I just can cry

Blaming me to make myself better

You silence me with a kiss

And it's what I gotta miss

Please, hold on this...
