Tiden efter

Forever gone

A year gone by

a year since I saw you

Try not

try not to think

Thoughts of you never fade

Where are you?

Am I still there?

Am I a dream passed by

no longer a part of you?

Sitting at home

thousands of miles away

Can\`t stop

Can\`t stop thinking about you

I want to leave this behind

but thoughts of you torture my mind

Night and day

No sleep

no rest until I hear from you

Coldhearted

Don\`t you care at all?

I gave you three years of my life

and what do I get back?

Silence

Ignorance

Coldhearted

How can you be so cold?

Please tell me

I need to know

It\`s killing me

I stood up for you

I respected your needs

Can\`t you do the same for me?

It wont do any good

You can\`t erase me out of your mind

Memories

Feelings

Experiences

They will never disappear!
