### **One wish..**

One wish

I have one wish

I had one wish

Wish that I would grow up

grow up in my mind and my heart

I wish that I could one day grow up

and be strong

That strong that I could handle anything

anything that made me sad

Every little thing in my head that

got stucked in my heart

I wish that I could find strenght

I wish that I could be the one

I always wanted to be

I wish that I had wings

wings to fly away

far away, so far away

but with you by my side

I will never come down

I will fly higher than ever

I will always stay, I will grow up

I will get strong and I will show my self

that I can, not only wish

but grow in my heart
