From my book My Own Poems of Life

Mistakes

All make mistakes in life

You make your own mistakes

Sometimes you are affected by others

Try to learn from them

So you don't repeat the same again and again

Some mistakes you can't make right

Because that was the only time you did that exact thing

However I learn very fast what not to do

How I bother people with my actions

When I'm told about them

Your actions determine what kind of person you are

And are going to be

Mistakes is a part of who you are

You can't make perfect every time

You do something

You are always going to make mistakes

There is no avoiding it

Just deal with it as you go on

It's a part of life

Really
